Ask HN: How to Convert Free Apps into Paying Apps - erickhill Hi HN,I've been working on an app idea for a while now and I've come across quite a few effective ways to monetize apps.

I've found the most popular to be: 1) Monetize with AdSense and/or AdMob on the website, but then I have no control over the content. 2) Sell the app on the App Store and release a free trial version first. 3) Let the app be free for a bit and then monetize it via in-app purchase. So my question is this: How do you get from a free app to a paying app? ===== all_away I like to play "What If..." \- What if I use Facebook

login, and let the user complete the signup process on the website, where the user has the app he just installed? \- What if I release a trial version, and then let the user spend real money and get a full version? \- What if I let the user spend money even after a trial? \- What if I just put the full priced app out there, and do NOT do any of the above?

~~~ erickhill Thanks for your input! Exactly what I was looking for. For the first time in
